

# The Fiery Furnace...

Daniel 3:8-18 & 24-28

It's all about "*worship*" ...

# Worship...

- What is it?
- Why is it important?
- Worship decisions: (*some times they are hard ones*)
- Worship and today...

# The God we worship...

- ...He is able to...but, if He doesn't...we worship Him...
  - Trust...
  - Dependent upon Him...
  - God is God in our lives...*

# How about you & me?

- What's our worship like?
- Is God truly God in our lives? **Changes us:** Our character / knowing right and doing right / standing.
